## SPIKA SUMMER INTERNSHIP

### PRODUCTION

Do you love to work with your hands? Do you want to learn a variety of skills while becoming better prepared for a career in manufacturing? Are you creative, detail-oriented, and ambitious? Spika is a world leader in the design and manufacture of aluminum work platforms and ground support equipment, and we're looking for someone who is excited to develop new skills and contribute to the team.

### DETAILS

**Length:** 9-Week Internship (June 15 – August 14)

**Hours:** 8:30 am – 5:00 pm Monday – Thursday (may be modified depending on intern's/management's needs)

**Pay:** \$10/hour

**Openings:** 1

*Note: Due to labor laws, Spika is restricted on the activities the intern can participate in. These restrictions will be discussed upon hire. For interns 18+, there are no work restrictions.*

### HOW TO APPLY

Submit an application and resume to Spika by **May 15, 2015**. Apply in person or submit via:

- Email: [Candy@spikawelding.com](mailto:Candy@spikawelding.com)
- Mail: PO Box 1123, Lewistown, MT 59457

Once the application is received you will be contacted to set up an interview. The interview will give us a chance to get to know you, but it will also be a good chance for you to practice your interviewing skills and receive feedback from professional human resources personnel.

The successful intern will be selected based upon the application package, the interview, and other factors, such as willingness to learn, a positive attitude, and professionalism.
